What's in the hamper?

The content of each hamper will change from month-to-month depending on what is available through the Whitehorse Food Bank. Expect to receive canned goods and fresh produce. The Food Bank tries to accommodate dietary restrictions as best they can but is dependent on the products available. Hampers for families with children will receive additional items. Each hamper provides approximately 6-9 days of food per person. Hampers can be sized for 1-9 people.

All of our volunteers sign a confidentiality statement and follow our Covid-19 safety protocols. Your privacy is important to us. Your information will not be shared with any organization other than the Whitehorse Food Bank and their funders.
